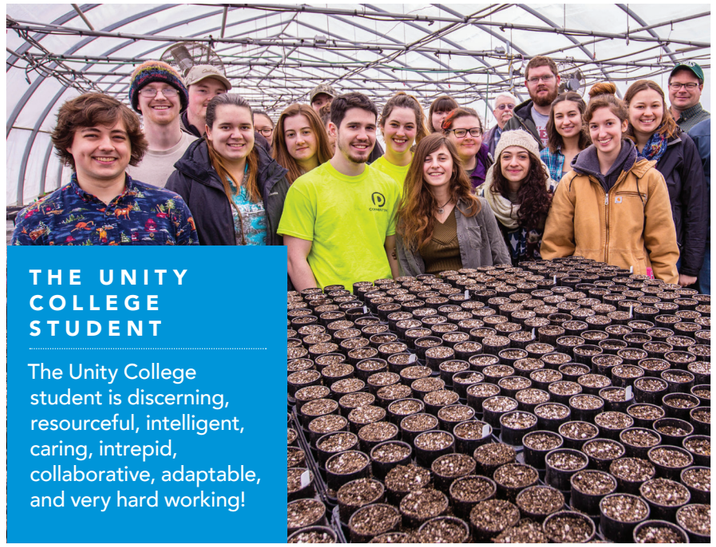
WORKING WITH UNITY COLLEGE

Employer Engagement with Unity College

CS01



THE UNITY COLLEGE STUDENT

The Unity College student is discerning, resourceful, intelligent, caring, intrepid, collaborative, adaptable, and very hard working!

WE'RE DIFFERENT
THE UNITY COLLEGE STUDENT

The College offers a liberal arts education that emphasizes the environment and natural resources which prepares our graduates to become responsible citizens, environmental stewards, and visionary leaders.

Our programs are hands-on, packed with information and theory, as well as social, professional, and practical skill-building opportunities.

Students attending Unity College are unique. Many of our students:

+ can manage business concerns and cut down a tree.

+ can write a grant proposal and wade thigh-deep through swamps.

+ can locate a sleeping bear with GPS tracking telemetry and present at a professional conference.

+ can lead a complex project team or lead a group of kayaks down a wilderness river.

SEE STUDENTS IN ACTION
THE INTERNSHIP PROGRAM

At Unity College, internships are tightly woven into the curricula of our majors

+ Over 100 students participate in an internship experience in their field of study every year.

+ Students make important contributions to a wide range of companies and organizations all across the U.S., and even abroad.

+ Unity College students are learning high-level skills in interpersonal communication, the scientific method, safety protocols, data collection, and the use of a variety of technologies, tools and equipment.

WHAT ARE EMPLOYERS SAYING ABOUT UNITY COLLEGE INTERNS?

"I APPRECIATE UNITY COLLEGE'S STUDENT INTERNSHIP PROGRAM. SEVERAL STUDENTS APPLIED FOR OUR POSITIONS AND THEY WERE ALL EXCEPTIONALLY WELL-EDUCATED AND QUALIFIED"

ENVIRONMENTAL CAREER FAIR

The Unity College Environmental Career Fair has been held each spring for over 10 years. This is the largest environmentally-centered career fair in New England.

Typically, over 100 employers attend this event. Many specialize in the fields of sustainable energy, conservation, ecotourism, sustainable agriculture, outdoor health and wellness, forestry management, developing environmental research and policy, captive wildlife care, conservation law enforcement, and similar areas.

Others attending are more commercially-oriented and hold a keen awareness of the many benefits and advantages to be found by following sustainable practices. For more details about the Unity College Environmental Career Fair visit: **unity.edu/career-fair.**

THE GREEN JOB BOARD

The Green Job Board is a way for employers to post open positions for Unity College students to view at any time of year.
