Turn your passion for locally-sourced food into a career that matters!

Are you a locavore? Do you visit the farmers market on weekends and wonder what it takes to make a living doing what you love? Now's the time to find out. Unity College is offering you the opportunity to learn how to take your passion for locally-sourced food and turn it into a fulfilling career.

Through Unity College's B.S. in Sustainable Business Management: Sustainable Food and Farming, you'll learn how to apply sustainable business concepts to agriculture, food systems, food production, and farm-to-table enterprises, without compromise. Graduates are prepared for numerous careers in traditional business occupations as well as in the sustainable food industry.

Job Outcomes	Growth*	Salary**
