

B.S. CAPTIVE WILDLIFE CARE

Nationally Recognized Program

The Captive Wildlife Care program at Unity College began two decades ago with the goal of preparing students to be leaders in the field of wildlife care, animal husbandry, and wildlife rehabilitation. From a founding class of only three students, the Unity CWC has grown to be nationally recognized as one of the leading four-year wildlife care programs in the country.

Courses that Make the Difference

Graduates distinguish themselves in their strong preparation within the sciences, their career-relevant coursework, and their commitment to making a difference.

“The captive program at Unity teaches you exactly what you’re going to do. I knew what I was getting myself into and what I wanted.”

- Chaz James '16, Little Rock Zoo

94% of our graduates are employed full-time within six months of graduation.
