## Program Highlights

Flexible and affordable, our Hybrid Learning programs offer students a new way to earn a degree from America's Environmental College. Students can choose where and how to learn according to individual preferences and ultimate career goals.

- + **Unity College** is an accredited institution by New England Commission of Higher Education.
- + **With eight start dates per year**, students can apply year-round and enter into the program at any point in the year.
- + **Our five-week terms** let students concentrate on just one or two classes at a time.
- + **All classes are taught by faculty experts in their respective fields** and trained in pedagogical practices specific to their modality, online or face-to-face.

## 94% of our graduates are employed full-time within six months of graduation.

### Nationally Recognized Program

The Conservation Law Enforcement program at Unity College began in 1972 with the goal of preparing students to be leaders in the field of natural resource protection. From a founding class of only 22 students, the Hybrid Learning CLE program has grown to be nationally recognized within the conservation law enforcement community.

### Courses that Make the Difference

Graduates distinguish themselves in their strong preparation within the sciences, their career-relevant coursework, and their commitment to making a difference.

### Affordable and Flexible

The Unity College Conservation Law Enforcement degree program offers students unparalleled affordability and flexibility through our immersive 5-week courses. Learn online and take optional in-person courses that suit your schedule. Enjoy the flexibility of starting on your own schedule, setting your pace of study and managing your costs of attendance to suit your needs.

### Clear Career Paths

Jumpstart your career as a game warden, marine patrol officer, or natural resource officer through our networking and internship programs and earn college credit while attending the National Park Service Seasonal Law Enforcement Training Program or the Maine Criminal Justice Academy.
