# ANIMAL HEALTH & BEHAVIOR

## JOB OUTCOMES, GROWTH\*, & SALARY\*\*

At Unity Environmental University, we understand the importance of aligning education with your passions and career goals. That's why our courses are thoughtfully designed to equip you with the knowledge and skills necessary to pursue a rewarding career with gainful employment in your chosen field. Additionally, our faculty consists of experienced professionals who bring real-world insights, providing you with valuable mentorship and guidance. At Unity, you will find exceptional career development resources and experiential opportunities to further enhance your employability and help you achieve your professional aspirations.

### **Veterinary Assistant**

Median Salary: \$37k  
Growth: +19.3

Veterinary Assistants are responsible for the care of animals under the supervision of a veterinarian or veterinary technician. Their job tasks include: feeding, bathing, exercising the animals, and restraining animals when needed during examinations and treatments.

### **Companion Animal Director**

Median Salary: \$55k  
Growth: +10

Companion Animal Directors are responsible for training and managing the training of animals for obedience, performance, riding, security, or assisting people with disabilities. Directors oversee training programs that familiarize animals with human voices and contact and teach them to respond to commands.

### **Animal Trainer**

Median Salary: \$39k  
Growth: +11.1

Animal Trainers work with animals for riding, harness, security, performance, or obedience, or for assisting persons with disabilities. They accustom animals to human voice and contact, and condition animals to respond to commands. Trainers will teach animals according to prescribed standards for show or competition.
