NEGATIVE NUMBER:

refunded to you.

You're getting more grants

or loans than what you owe

for tuition. This amount is

POSITIVE NUMBER:

You still owe money to Unity, which is called an "out-of-pocket" cost."

Total You Owe:	\$1,410.00
Total Credits:	-\$2,098.00
Overall Total:	-\$688.00

In the example above, your grants and loans more than cover the cost of tuition. If your financial aid doesn't cover the total balance you owe, you have options! You can break the remaining amount into small payable chunks through our flexible payment plans. For example, if you owe a remaining balance of \$250, you can break that up over the 5 weeks while you're in school and pay \$50 per week.
